

Process for new Shooters Licence

Current (July 2015)

Firearms Registry

Ph: 1300 362 562

Locked Bag 1, Murwillumbah NSW 2484

Step 1, contact the registry and request forms to be sent as follows:

Application for a **“Personal Firearms Licence” P561**

You will also need at least **one** genuine Reason form, you may like to indicate more than one reason. The main types as follows:

Genuine Reason forms:

- “Sport/Target Shooting” P660
- “Recreational Hunting/Vermin Control” P661
- “Firearms Collection” P674
- Also different types of Animal Welfare reasons (discuss your case)

OR

Application for **“Minors Permit P637”** (this is all you need)

Step 2 When you receive the paperwork call one of the following volunteer testers to book into the next course available:

Please be flexible with time and dates and be willing to call even after hours the following until you can contact a Volunteer.

- Ray Hawkins 6360 4884
- Ian Maybin 6362 5879
- Boyd Mackinlay 6365 8444
- Matthew Shearim 6360 4884

Note: You must bring your Drivers Licence or Passport to the course

It is also a good idea to bring all your other paperwork so we can help you fill this out and go over any question you may have.

If you have a good internet abilities, you may wish to pre read **“SSAA NSW Safe Shooting Course Guide”** on the SSAA Orange site (www.ssaorange.org.au) you will find it under the "Information" tab. or please visit www.ssaansw.org.au for membership and Safe Shooting

The course costs **\$77** Adults, **\$33** juniors.

Adults may like to join the SSAA Orange (N34) for Genuine Reason Form P661 (Recreational Hunting/Vermin Control) or P660 (Sport/Target Shooting).

(Correct cash or cheque made to SSAA would be appreciated)

Step 3 Then you can send your paperwork to Firearms Registry. Please make sure you **keep a copy** in case there is a problem. Currently the process can take 2-3 months.

Final Step, Firearms Registry will then send you a letter requesting you to visit the RTA for a photo and to pay for your Shooters licence.
